

# BESPOKE DEVELOPMENT BUNDLE

## FOR BUSY LEADERS

### Personalised support, when you need it

Are you finding it challenging to prioritise your personal development due to workload and diary pressures? Yet you recognise that targeted upskilling would help you overcome current challenges, perform better and achieve your goals?

Many leaders are moving away from time-consuming, structured development programmes and instead, are opting for bite sized, targeted development when they need it, in a format that suits them

### Our Bespoke Development Bundle Offers:

- 1 A **Discovery Session** with your personal Coach/Mentor to assess your development requirements
- 2 Access to carefully selected video tutorials and **skill building e-learning modules** targeted at your specific development areas
- 3 **6 x 121 sessions** with your personal Coach/Mentor to provide ongoing feedback, guidance and support throughout

*"This challenges your self-awareness and delivers practical tools to evolve your leadership skills to the next level"*

To compile your bespoke development bundle, draw on one or more of the following themes:

**Personal effectiveness** i.e. Managing time and priorities ▶ Enhancing personal impact ▶ Applying advanced communication skills ▶ Building resilience ▶ Increasing wellbeing and confidence

**Professional relationships** i.e. Building effective relationships ▶ Managing stakeholders ▶ Managing upline ▶ Navigating challenging conversations ▶ Influencing and negotiating

**Management skills** i.e. Vision and contexting ▶ Contracting for results ▶ Coaching for development ▶ Performance management ▶ Giving feedback ▶ Increasing team morale and motivation ▶ Empowering others ▶ Building autonomy

**Cultural change:** Diagnosing team culture ▶ The psychology of change ▶ Creating cultural shifts ▶ Navigating undercurrents ▶ Negative politics and corporate games
